

A RAINY DAY

The Lithuanian students had one more day
to spend in Greece on Friday

It was a school day for us
but we wanted to see them again
and say once more **goodbye** ...

Moreover we knew that it was a
Lithuanian girl's **birthday**
and as we all had become so close
friends we wanted to **surprise** her

So some of us decided to buy her **gifts**
and a **birthday cake**

One of our teachers and a Greek student managed to find them.

So after school we met them in a restaurant where they were having lunch.

We wished the girl **happy birthday** we gave her the gifts and of course we all enjoyed the birthday cake together.

And we couldn't let them go
without giving them
a small
syrtaki lesson

After that
we went shopping
together

It was **so much fun!!!**

It had been raining all day long...
but we were keeping on smiling !

Late in the evening
we said **our last goodbyes**
at the hotel

and it was still
raining...

Goodbye

our friends...

We thank you for the
unforgettable moments
we spend together!!!
