LET'S STOP VIOLENCE AT SCHOOL THROUGH ART,
SPORTS AND LITERATURE

PORTUGUESE PRESENTATION

The Portuguese team gave us a very interesting view of their country and their school

Traditions, songs, dances from their lovely country overflowed our school!

But the best part was...

...making traditional Masks

Several white lines of varying lengths and thicknesses are drawn diagonally across the bottom right corner of the slide, pointing towards the top right.

Before that, we saw videos about the **special needs school** which is found in the same building as the school of our friends.

We loved this part so much, because they are doing great job with those adorable children.

We saw in this video some **amazing activities** that take part at their school.

For example they make their own **wine** and **bread!!!**

MAKING THE MASKS

All students and teachers from the four countries enjoyed very much making Masks.

- ▶ The material for the mask is:

A kind of plastic net, colorful fabric lanes, stapler and papers.

- ▶ The steps to make a mask are:

We stick a lot of colorful fabric lanes in the plastic net with the stapler.

We take the colors and the papers and draw a face as we like.

We take a lane of paper and stick it with the stapler, so that we can make a nose and we paint it.

At the end, we stick the face in the plastic net with stapler.

It was **amusing** and **easy** to make a Mask and we 've all had a lot of **fun**!

HERE IS THE RESULT!
AMAZING, ISN' T IT?

We thank the Portuguese people who offered us this amazing experience !!!!

We miss you all, hope to see you soon again!

THE - END
